

# NEW MEMBER OF THE “BRASS IS BEST” TEAM

## NEW 1-1/2" Camlock Swivel

The latest addition to the M. Carder product line is a 1-1/2" swivel coupled with a male camlock. **AWSCL15**

Now you have the advantage of the brass threads never galling and the ease of operation provided by the swivel action. Always use the proper sealants.

All of these are available now.
